WHEREAS, Monroe County Code Chapter 3 sets forth provisions regarding the requirements for and issuance of local occupational tax licenses; and

WHEREAS, on or about June 9, 2006, the Governor of the State of Florida signed Session Law 2006-152 renaming the local occupational license tax as the local business tax; and

WHEREAS, Session Law 2006-152 states therein that its purpose is to deflect potential abuses by unscrupulous persons presenting local occupational licenses as proof of competency to perform repairs and services; and

WHEREAS, the Monroe County Tax Collector has requested revision to the County Code to correspond to the state mandate that the "licenses" be issued in the form of a receipt for a local business tax; now therefore,

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The title to Chapter 12.1, Monroe County Code, shall be revised to read as follows:

12.1 ~~OCCUPATIONAL TAX STRUCTURE~~ BUSINESS TAX STRUCTURE

Section 2. Sec. 12.1-1. Monroe County Code, shall be amended to read as follows:

This chapter establishes ~~an occupational~~ business tax for the privilege of engaging in or managing any business, profession or occupation within the county. No person may engage in or manage any business, profession, or occupation within the county subject to ~~an occupational~~ business tax under this chapter without first paying that tax to the county tax collector.

Section 3. Sec. 12.1-2. Monroe County Code, shall be amended by adding the definition of receipt as follows:

"Receipt" means the document that is issued by the Monroe County Tax Collector which bears the words "Local Business Tax Receipt" and evidences that the person in whose name the document is issued has complied with the provisions of this chapter relating to the business tax.

Section 4. Sec. 12.1-3. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-3. Distribution of revenues.

The county retains all ~~occupational~~ business tax revenues collected from businesses, professions, or occupations, whose places of business are located in the unincorporated portions of the county. Those ~~occupational~~ business tax revenues collected from businesses, professions, or occupations, whose places of business are located within a municipality, exclusive of the costs of collection, must be apportioned between the unincorporated area of the county and the incorporated municipalities located therein by a ratio derived by dividing their respective populations by the population of the county. The revenues so apportioned shall be sent to the government authority of each municipality, according to its ratio, and to the county commission, according to the ratio of the unincorporated area, within fifteen (15) days after the month of receipt.

Section 5. Sec. 12.1-4. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-4. Term of privilege granted by the tax, transfer.

(a) The ~~occupational~~ business tax provided for in this chapter allows for the privilege of engaging in or managing the business, professions, or occupation, so taxed for a period of one (1) year beginning on October 1 and expiring on September 30, unless another term is provided by law.

(b) The ~~occupational~~ business tax paid by the original owner of a business may be transferred to the benefit of a new owner, when there is a bona fide sale of the businesses, upon the payment of a ten dollar (\$10.00) transfer fee.

(c) The tax paid for the privilege of engaging in or managing a business, profession, or occupation, at one location may be transferred to the benefit of another location upon the payment of a ten dollar (\$10.00) transfer fee.

Section 6. Sec. 12.1-5. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-5. Fractional tax payments.

Any person who was not liable for the ~~occupational~~ business tax during the first half of the tax year, but becomes liable during the second half, must pay an ~~occupational~~ business tax equal to one-half the amount owed for the full tax year.

Section 7. Sec. 12.1-6. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-6. Procedure for the payment of the occupational business tax.

(a) All persons for the occupational business tax must complete the tax form prepared by the county tax collector. The occupational business tax provided for in this chapter is for the purpose of raising revenue only. It is not a county permit to undertake any business, profession or occupation at a particular site. The tax collector shall, on a monthly basis, provide the county planning department with a list of the taxpayers who have paid and the addresses of their respective businesses, professions, or occupations. If the tax is paid for a business, profession or occupation at an address that the planning department concludes violates the county's land development regulations or comprehensive plan, then the county's code enforcement department may undertake whatever action it deems proper to force a correction of that violation. A statement similar to this subsection must appear on all occupational business tax forms.

(b) Any person liable for an occupational business tax based wholly or in part upon capacity, the number of employees, or other contingency, must file a statement with the tax collector giving full and complete information to the capacity, employees or other contingency as the case may be. The statements required by this subsection must be retained as part of the tax collector's records and a copy provided to the county property appraiser.

Section 8. Sec. 12.1-8. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-8. Forms, etc.

The county must furnish the necessary forms to the tax collector. The tax collector must fill out and validate a receipt and issue to the taxpayer for each occupational business tax paid. The tax collector must also make a duplicate of each receipt. The taxpayer must have the receipt conspicuously displayed at his place of business so as to be open to the view of the public and all of the duly authorized officers of the county.

Section 9. Sec. 12.1-9. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-9. Delinquent license tax, penalty.

(a) Whenever any tax provided by this chapter is not paid by the due date of October 1, the tax is delinquent and subject to a delinquency penalty of ten (10) per cent for the month of October, plus an additional five (5) per cent penalty for each subsequent month of delinquency until paid. However, the total delinquency penalty may not exceed twenty-five (25) percent of the occupation business tax originally due. In addition to the penalty, the tax collector is entitled to a five dollar (\$5.00) cost fee that must be collected from delinquent taxpayers at the same time the tax and penalty are paid.

(b) Any person engaging in or managing any business, occupation or profession without first paying the occupation business tax, if required under this chapter, is subject to twenty-five (25) percent of the tax determined to be due, in addition to any other penalty provided by law or ordinance.

(c) Any person who engages in any business, occupation, or profession covered by this chapter, who does not pay the required ~~occupational~~ business tax within one hundred fifty (150) days after the initial notice of tax due and who does not obtain the required ~~occupational~~ business tax receipt, is subject to civil actions and penalties, including court costs, reasonable attorney's fees, additional administrative costs incurred as a result of collection efforts, and a penalty of up to two hundred fifty dollars (\$250.00).

Section 10. Sec. 12.1-10. Monroe County Code, shall be amended to read as follows:

Sec. 12.1-10. Tax not in lieu of regulatory fees or licenses.

Fees or licenses paid to any municipality, board, commission or officer for permits, registrations, examinations or inspections that are regulatory in nature are in addition to, and not in lieu of, the ~~occupational~~ business tax imposed under this chapter unless otherwise provided by general law.

Section 11. Sec. 12.1-11, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-11. Disabled persons, widows, etc.

(a) All disabled persons physically incapable of manual labor, widows with minor dependents, or persons sixty-five (65) years of age or older, with not more than one (1) employee or helper, and who use their own capital only, not in excess of one thousand dollars (\$1,000.00) are allowed to engage in any business or occupation in the county without being required to pay an ~~occupational~~ business tax. The exemption provided by this section with respect to the disability is allowed only upon the certificate of a licensed physician stating that the applicant claiming the exemption is disabled and the nature and extent of the disability. In case the exemption is claimed by a widow with minor dependents, or a person over sixty-five (65) years of age, proof of the right to the exemption must be made. Any person entitled to the exemption provided by this section must, upon application and furnishing of the necessary proof, be issued a tax waiver that must plainly state across its face that the waiver is issued under this section along with the reason for the exemption.

(b) In no event under this or any other section may any person, veteran or otherwise, be allowed any exemption from the payment of any amount required by law for the issuance of a license to sell intoxicating liquors or malt and vinous beverages.

Section 12. Sec. 12.1-12, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-12. Disabled veterans, etc.

(a) Any resident who served as an officer or enlisted person during any of the periods specified in F.S. § 1.01(14), in the Armed Forces of the United States, National Guard, or United States Coast Guard or Coast Guard Reserve, or any temporary member thereof, who has actually been, or may hereafter be, reassigned by the air force, army, navy, coast guard, or marines to active duty during any war, declared or undeclared, armed conflicts, crises, etc., who was honorably discharged from the service of the United States, and who at the time of his or her becoming liable for the tax provided in this chapter is

disabled from performing manual labor, must, upon sufficient proof of being a resident and upon production of an honorable discharge from the service of the United States:

(1) Be granted a waiver for the payment of any ~~occupational~~ business tax required by this chapter that does not exceed fifty dollars (\$50.00); or

(2) Be granted a waiver for the payment of ~~occupational~~ business tax to the extent of fifty dollars (\$50.00) when the ~~occupational~~ business tax required by the chapter is more than fifty dollars (\$50.00). The waiver described in this subsection extends to and includes the right of the disabled veteran to operate an automobile-for-hire not exceeding five-passenger capacity, including the driver, when it appears that the automobile is bona fide owned or contracted to be purchased by the disabled veteran and is being operated by him or her as a means of livelihood and that the proper license tax for the operation of the motor vehicle for private use has been applied for and attached to the motor vehicle and the proper fees paid by the veteran.

(b) When the disabled veteran applies for an ~~occupational~~ business tax waiver for a business, profession, or occupation that has a tax in excess of fifty dollars (\$50.00), the remainder of the tax in excess of fifty dollars (\$50.00) must be paid in cash.

(c) The tax collector must issue a tax waiver to disabled veterans who are entitled to a waiver of any ~~occupational~~ business tax otherwise required under this chapter, subject to the conditions of this section. The tax waiver when issued must be marked across its face: "Veteran's Waiver/Exemption From ~~Occupational~~ business Tax - Not Transferable." Before issuing the waiver, proof must be presented in each case that the applicant is entitled to the waiver under the terms of this section. The proof may be made by establishing, to the satisfaction of the tax collector, by means of a certificate of honorable discharge, or a certified copy of that discharge, that the applicant is a veteran covered by this section and by exhibiting:

(1) A certificate of government-rated disability to an extent of ten (10) per cent or more;

(2) The affidavit or testimony of a reputable physician who personally knows the applicant and who makes oath that the applicant is disabled from performing manual labor as a means of livelihood;

(3) The certificate of the veteran's service officer of the county in which applicant lives, duly executed under the hand and seal of the chief officer and secretary thereof, attesting the fact that the applicant is disabled and entitled to receive a license within the meaning and intent of this section.

(4) A pension certificate issued to him or her by the United States by reason of such disability; or

(5) Such other reasonable proof as may be required by the tax collector to establish the fact that such applicant is so disabled.

Section 13. Sec. 12.1-13, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-13. Farm, agricultural, grove, etc., exemption from tax.

(a) No local ~~occupational~~ business tax is required of any natural person for the privilege of engaging in the selling of farm, aqua cultural, grove, horticultural, floricultural, tropical piscicultural, or tropical fish farm products, or products

manufactured therefrom except intoxicating liquors, wine, or beer, when such products were grown or produced by such natural person in this state.

(b) A wholesome farmers' produce market has the right to pay a tax of two hundred dollars (\$200.00). That payment entitles the market's stall tenants to engage in the selling of agricultural and horticultural products in the market without the tenants having to pay individual ~~occupational~~ business taxes.

Section 14. Sec. 12.1-14, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-14. Religious tenants; exemption.

Nothing in this chapter may be construed to require an ~~occupational~~ business tax payment for practicing the religious tenants of any church.

Section 15. Sec. 12.1-15, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-15. Charitable, etc., organizations, occasional sales, fund raising; exemption.

(a) No ~~occupational~~ business tax is required of any charitable, religious, fraternal, youth, civic, service or similar organization when the organization makes occasional sales or engages in fund-raising projects when the projects are performed exclusively by its members and when the proceeds derived from the activities are used exclusively in the charitable, religious, fraternal, youth, civic and service activities of the organization.

(b) Upon application by any charitable, religious, fraternal, educational or nonprofit organizations to the board of county commissioners, ~~occupational~~ business tax requirements may be waived.

Section 16. Sec. 12.1-16, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-16. School activities, certain exemption.

College and high school students may, with the approval of the athletic association or authority of their school, sell the pennants, badges, insignia and novelties of their school without being required to pay an ~~occupational~~ business tax

Section 17. Sec. 12.1-17, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-17. Advertising space renters.

Every person renting for profit advertising space in or on any boat, car, bus, truck or other vehicle must pay an ~~occupational~~ business tax of three dollars (\$3.00) for each boat, car, bus, truck or other vehicle operated by him.

Section 18. Sec. 12.1-18, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-18. Amusement devices.

Every person who operates for a profit any game, amusement ride or recreational device contrivance or facility not otherwise taxed by another ordinance of this county, must pay

an ~~occupational~~ business tax of fifteen dollars (\$15.00) for each game, amusement or recreational device, contrivance or facility. Once a tax is paid for a device described in this section, the taxpayer has the privilege of operating the device at any location in the county without incurring any additional occupational tax liability.

Section 19. Sec. 12.1-19, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-19. Hotels, apartment hotels, motels, etc.

(a) Every person engaged in the business of renting public lodgings, as defined in F.S. ch. 509, except apartment houses, must pay, for each place of business, an amount of one dollar fifty cents (\$1.50) per room. The room count does not include rooms occupied by the owner.

(b) The tax collector may neither accept a tax payment nor issue an ~~occupational business~~ tax receipt to any business that is required to be licensed under F.S. ch. 509 unless the taxpayer produces evidence that he has such a license.

(c) Every owner, manager, rental agent or association engaged in the business of renting accommodations on a daily, weekly or monthly basis, in condominiums as defined in F.S. ch. 718, in cooperatives as defined in F.S. ch. 719, in time-share units as defined in F.S. ch. 721, and in apartment houses defined as a multiple dwelling divided so as to make independent suits for occupancy, must pay for each rental unit an amount of twenty dollars (\$20.00) per unit. The unit count does not include units occupied by the owner.

Advertising that the owner, manager, rental agent or association has units available for rental on a daily, weekly or monthly basis is prima facie evidence that renting is conducted.

Possessing the occupational tax receipt required by this chapter does not relieve the owner, manager, rental agent or association from the obligation of collecting and transmitting to the proper authorities any and all appropriate taxes that are levied on rental transactions.

Where rentals are made on an individual owner's behalf, or an association's behalf, the average number of units under rent is the number of units counted for the payment of the per unit ~~occupational~~ business tax.

Section 20. Sec. 12.1-20, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-20. Cemeteries, mausoleums, etc.

Every person engaged in the business of operating a for-profit cemetery, mausoleum or similar place or institution must pay an ~~occupational~~ business tax of one hundred fifty dollars (\$150.00) for each place of business.

Section 21. Sec. 12.1-21, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-21. Circuses, traveling shows, tent shows, etc.; sideshows.

(a) Shows of all kinds, including: circuses, theatrical, traveling shows, and exhibitions, or amusement enterprises, carnivals, rodeos, theatrical games or tests of skill, riding devices, dramatic repertoire and all other shows or amusements or any exhibition giving performance(s) under tents or temporary structures of any kind (whether the tents or

temporary structures are covered or uncovered), must pay an ~~occupational~~ business tax of two hundred twenty-five dollars (\$225.00) per day for each day of operation.

If the person operating a main show or exhibition also operates a side show or side shows in conjunction with the main show or exhibition, then he must pay an additional ~~occupational~~ business tax of thirty dollars (\$30.00) per side show for each day of operation. No tax receipt may be issued for a side show unless tax has been paid for a main show. The main and side show tax receipts must be issued to the same person and for the same day or days of operation.

For the purposes of this section, the show, riding device, concession or exhibition charging the highest admission fee is the main show and the others are side shows. When there is more than one show, riding device, concession or exhibition in the same admission fee group, any one of them may be considered the main show and the others classified as side shows. The following are considered side shows:

- (1) All riding devices, including merry-go-rounds, ferris wheels, or any other rides or automatic riding devices;
 - (2) All concessions, including revolving wheels, coin games, throwing balls, rolling balls, cane racks, knife racks, weighing machines, games or tests of skill or strength, candy machines, sandwich, confectionery or similar stands or any other booth, unit, tent or stand commonly known as a concession; and
 - (3) Every side show, exhibition, display, concert, athletic contest, lecture, performance to which admission is charged, a fee collected or a charge is made for anything of value.
- (b) An annual tax may be paid for any of the shows or exhibitions mentioned in this section when the show or exhibition is permanently located in one place, upon the payment of six (6) times the full amount of the daily tax due according to subsection (a). A tax receipt issued under this subsection is good only for the place for which it was originally taken out, and the tax collector must state that in writing on the face of each receipt.
- (c) No fractional tax payments or receipts are available under this section.
- (d) Public fairs and expositions, as defined in F.S. ch. 615, and exhibits held by bona fide nonprofit organizations on the premises of a licensed public lodging establishment in connection with a convention are exempt from the provisions of this section.

Section 22. Sec. 12.1-22, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-22. Traveling entertainment and sales presentations.

- (a) In addition to any other taxes or licenses required, shows or exhibitions that provide entertainment incidental to an effort to sell a product or products by any person in the county must pay an ~~occupational~~ business tax of seventy-five dollars (\$75.00) for each day of operation.
- (b) The tax imposed in this section must be collected and the tax receipt issued in the same manner as the taxes provided for in section 12.1-21.

Section 23. Sec. 12.1-23, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-23. Cafes, restaurants, mobile food vendors and other eating establishments.

(a) Every person engaged in the business of operating a restaurant, cafe, snack bar, take-out service, dining room, drive-in eating establishment, or other public eating place, whether or not operated in conjunction with some other line of business, must pay an ~~occupational~~ business tax based on the number of people for whom he has seats or accommodations for the service or consumption of food at any one time, in accordance with the following schedule:

TABLE INSET:

31-74.....	60.00
75--149.....	90.00
150 or more.....	120.00
Drive-in restaurants where customers are served while seated in their motor vehicle.....	60.00

The license required by subsection (c) is in addition to the tax required by this subsection.

(b) Every person engaged in the business of operating a mobile food vending operation, no matter what type of vehicle is utilized for such purpose, whether or not operated in conjunction with some other line of business, except delivery service from licensed cafes, restaurants or other eating establishments, must pay an ~~occupational~~ business tax of two hundred fifty dollars (\$250.00). The license required by subsection (c) of this section is in addition to the tax required by this subsection.

(c) The tax collector may not accept a tax payment and issue a tax receipt to any business under the provisions of F.S. ch. 509, until a license has been procured for that business from the state.

Section 24. Sec. 12.1-24, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-24. Contracting.

Each person who contracts or subcontracts to construct, alter, repair, dismantle or demolish buildings, roads, bridges, viaducts, sewer, water and gas mains or engages in the business of construction, alteration, repairing, dismantling or demolition of buildings, roads, bridges, viaducts, sewers, water and gas mains must pay an ~~occupational~~ business

tax. The tax is determined by the average number of employees during the tax year, and is at the following rates:

1--5 employees . . .	\$ 20.00
6--10 employees . . .	25.00
11--15 employees . . .	35.00

Section 25. Sec. 12.1-25, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-25. Dance halls, variety exhibitions, etc.

(a) Every person who operates any place for profit where dancing is permitted, or where entertainment is provided for a charge such as variety programs or exhibitions, must pay an ~~occupational~~ business tax of two hundred twenty-five dollars (\$225.00). The tax required by this section is in addition to any other license or tax required by law. The operation of such a place is not to be construed as incidental to some other business. However, a one hundred fifty (\$150.00) dollar tax may be paid for one night only, but in that case, the tax collector must write across the tax receipt the words, "good for one night only." This section does not apply to hotels or motels of fifty (50) licensed units or more paying an ~~occupational~~ business ~~license~~ tax as provided for in section 12.1-19.

(b) Exempted from the provisions of this section are:

- (1) Variety exhibitions conducted or exhibited in a motion picture theater that pays the ~~occupational~~ business tax as provided elsewhere in this chapter.
- (2) Any traveling variety show or band which performs under the control of a charitable or fraternal organization with the organization putting on the show on its own account.

However, persons engaged in electric power, gas or community television antenna service franchised by the county and who pay a franchise fee must pay a license tax of four hundred dollars (\$450.00).

(b) Any person serving less than twenty-five customers is exempt from paying this tax.

(c) Municipal corporations that own and operate their own electric power plant or gas plant are not subject to the tax described in this section.

Section 27. Sec. 12.1-27, Monroe County Code, shall be amended to read as follows:

Sec. 12.1-27. Emigrant agents.

The ~~occupational~~ business tax for the privilege of engaging in the business of emigrant agent is one thousand eight hundred seventy-five dollars (\$1,875.00). This section does not apply to any state or federal agency acting as an emigrant agent.
